

MFCA's new partner is Cakes4Kids, a local non-profit providing home-baked birthday cakes for foster children!

A home-baked cake or one dozen cupcakes will be delivered to the Community Resource Center by a volunteer baker on a Tuesday, Wednesday or Thursday. The foster parent or their designee must pick up the cake during our normal business hours (see CRC Hours below). An alternate pickup time can be arranged if CRC staff is notified ahead of time. MFCA must receive your request at least two weeks prior to the birthday.

C4K works with volunteer bakers who undergo training to provide specially-baked cakes for foster children. The bakers will only be in contact with MFCA staff.

Cakes can only be ordered for children in foster care. Requests will be filled based on volunteer baker availability. Cakes4Kids will work hard to guarantee every request is filled!

Simply provide the following information:

- the foster child's first name and last initial (e.g. Susan P.)
